Foreword

The Angola High School building itself, our friends, and our activities throughout the years we have spent here have given us many memories to cherish. We have published this Key in the hope that as our readers look through it in the future years they may recall happy moments, sad moments, and proud moments, that they may use this Key and unlock the door to high school memories.

A.H.S. At Night

The lights shine bright in this night scene at the Angola High School building.

Carlin Park School

Carlin Park is the newest of our school buildings. All of its up-to-date equipment and its fine teaching staff should make it great fun for the elementary students to attend school here.

Pleasant Lake School

Many 1964 seniors received their first educational background at this school. The freshman basketball team members use the gym in this building for their practice sessions. The Pleasant Lake School means much to many people.

Lunch Hour

Classes have been dismissed for lunch. The hungry students of A.H.S. hurry home or to the downtown restaurants to avoid the rush at noontime.

Hendry Park School

The Hendry Park School is one of the first stepping stones to higher education. Its facilities are among the best in the country. Many students have eaten lunch in the cafeteria here or have attended social functions in the all-purpose room.

Public Library

Students have spent many profitable hours in the Public Library across the street from Angola High School. The librarians have helped much, and the reading room is a popular place when term papers are due.

Scott Center School

Some of the seniors spent their first six years at the Scott Center School and have many happy memories of those years. Now Scott Center is a part of the system of the Metropolitan Schools of Steuben County because of consolidation.

Football Field

The Boomershine Athletic Field has been the scene of many Hornet football games since being put into operation. Perhaps this young gentleman will play here in future years.

In Loving

To Louis Sapp We Respectfully Yearbook

The memory of Louis Sapp, a man dedicated to the principles of education and development of Angola youth, will always be held in the highest esteem by the teaching staff of the school and by all the students who were associated with him.

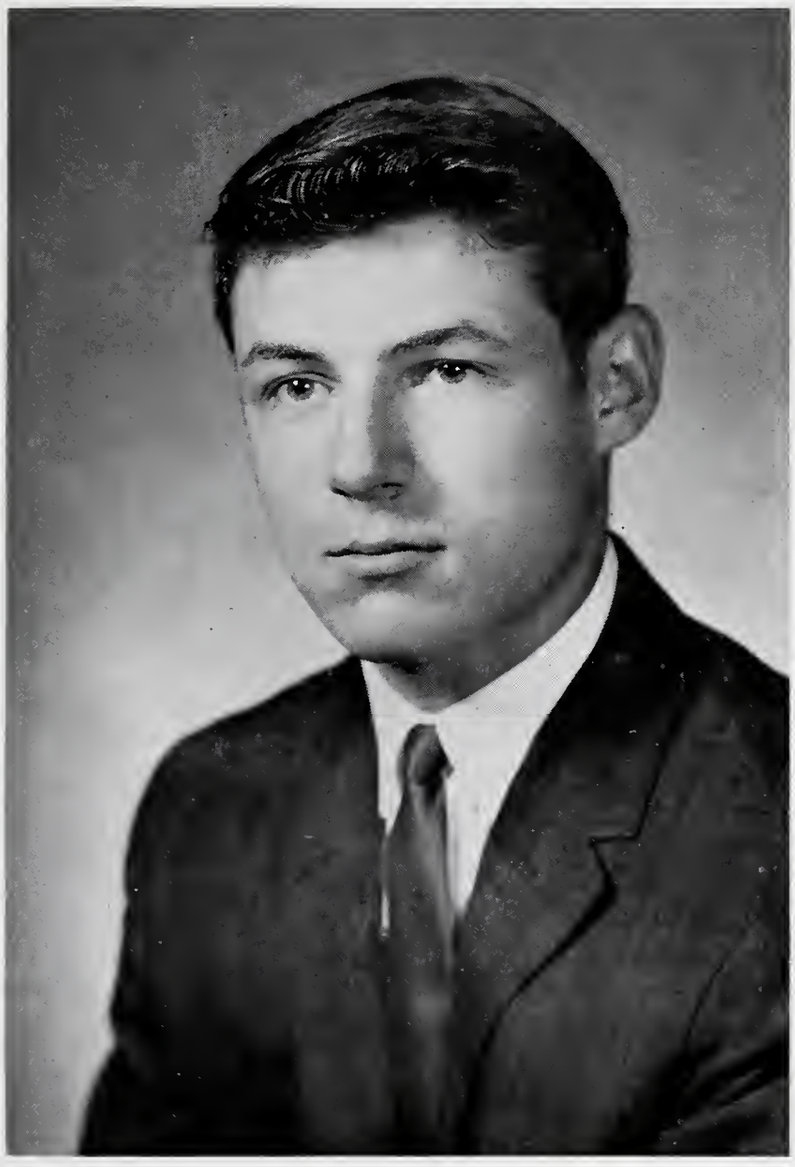

In his years at Angola he served as a fifth grade teacher when the grades were located in the present high school building and also at Hendry Park School. He taught driver training in the summer school sessions. He was a coach of junior and high school football and was loved by all the boys.

His contributions to the school are lasting.

Memory

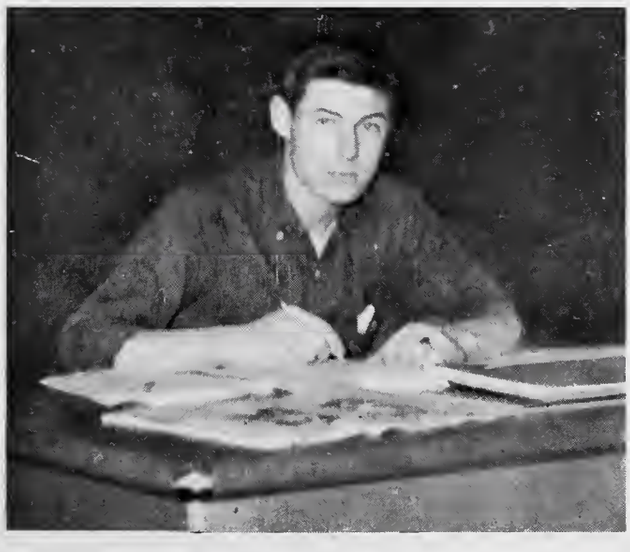

and Dale Simedru Dedicate Our the 1964 Key

Dale Simedru, a senior and friend of everyone, participated in many activities throughout his high school years.

He was a member of the varsity football team, the track team and the gymnastics team. He held a position on the staff of the school paper his senior year, was a member of the Hi-Y Club for two years, and belonged to the Junior Classical League for four years. He also exhibited projects at the Science Fair his freshman and sophomore years.

Dale's memory will always remain in the hearts of those who knew him.

At 3:30 we see students leaving the building to go to their buses. All are happy as they think of a day's work well done!

The school parking lot, used by students and teachers throughout the year, has been a great convenience. It has proved invaluable for school patrons attending athletic meets and many other school activities.

In Appreciation

We, the members of the class of 1964, wish to express our appreciation to Mr. Thompson, our sponsor for the past two years, and to our class president, Jack Deller, who has guided us through the past four years of high school.

We should like to express our many thanks for their patience, tact, and unfailing good humor. Their contributions to our class have helped to make these past four years more enjoyable.

To Jack and Mr. Thompson we again say "Thank you."

Seniors

When I was a meek and lowly freshman,
I admired the seniors with a wide-eyed stare.
It seemed an eternity before I could be one;
But I knew I would some day be there.

Now at last, here I am.
Graduation is drawing near.
Those three "long" years went by in a flash,
With time running short, I fear.

All the good times are memories;
The kids will go their separate ways.
If only I could relive once more,
Those carefree, happy days!

But time marches on and never stops;
Our great class must move aside.
There are others who want our pinnacle,
And by their demands we must abide.

My message to you, future seniors, is
"Good luck and have lots of fun!"
For in this whole great school of ours,
The senior class is second to none!

FACULTY

F. K. McCutchan

OUR SUPERINTENDENT

This was the first year for Mr. McCutchan as Superintendent of the Metropolitan Schools of Steuben County. We, the class of '64, wish to thank him for all his guidance and help through our four years of high school, the first three as our principal, and the last as our superintendent. We all feel that he has done an excellent job.

Mary Sanders, Edith Cox

BOARD OF EDUCATION

We are deeply grateful to the Board of Education for their efforts to make our school one to be proud of. At their regular meetings they have solved problems regarding financial matters, curriculum, selection of teachers, and legislation of school rules.

SECRETARIES

Mary Sanders and Edith Cox are the two secretaries in the superintendent's office and they have many important responsibilities. But they are always willing to lend a helping hand to students also.

OUR PRINCIPAL

Mr. Hammel, Principal of our school this year, has done everything in his power to keep up the high standards of our school and whenever possible to make them higher. He always had time to discuss a personal problem or perhaps a class project. We wish to thank M. Hammel for the help he has given us.

John R. Johnson

OUR ASSISTANT PRINCIPAL

As Assistant Principal and Athletic Director, Mr. Johnson has had much work and responsibility this year. He has done his job well and we thank him for his interest in us.

SECRETARIES

Kitty Rozell and Pat Johnson, our secretaries, are always ready and willing to help anyone who asks them. Their cheerfulness and helpful suggestions have been a great aid to us. They certainly have helped to make our final year of high school an enjoyable one.

Kitty Rozell, Pat Johnson

Faculty

MR. MORIN, MR. BARKDULL, and MR. THOMPSON, all class sponsors, chat on the various projects their students are carrying out in government, business law, and Latin.

Pausing between classes MISS SHULTZ finds out from MR. NESBITT the ratings in the latest gymnastics meet.

DR. HORRALL, school psychiatrist, talks with her secretary, MRS. MORTORFF, on new findings in her field of work.

Faculty

MR. WEARLY is working hard on a piece of wood. Perhaps it's to show his next period class.

MISS SIEBOLD is thinking about the next vocal concert coming up.

MR. PORTER goes over some class records with Mary Chiddister, art assistant.

Faculty

MRS. VOSTEEN, history teacher, surrounded by books and maps, major aids in her teaching.

MR. AVERY and MR. ARNEY investigate the contents of their mail boxes in the morning.

MR. MYERS, MRS. KILE, and MRS. MANALIO discuss some new projects for their math class.

Faculty

MRS. BUSE and MRS. TRENNEPOHL have been probably discussing a test which was just given to one of the home economics classes.

Taking a few minutes rest from coaching our newly formed "Lady Hornets" basketball team is MRS. GRABILL. She is one of the new members on our faculty this year.

MR. SPRUNGER and MR. MILHOLLIN are always ready to help us with our problems of selecting colleges and applying for scholarships. To assist with their clerical work is MRS. MORTORFF.

Faculty

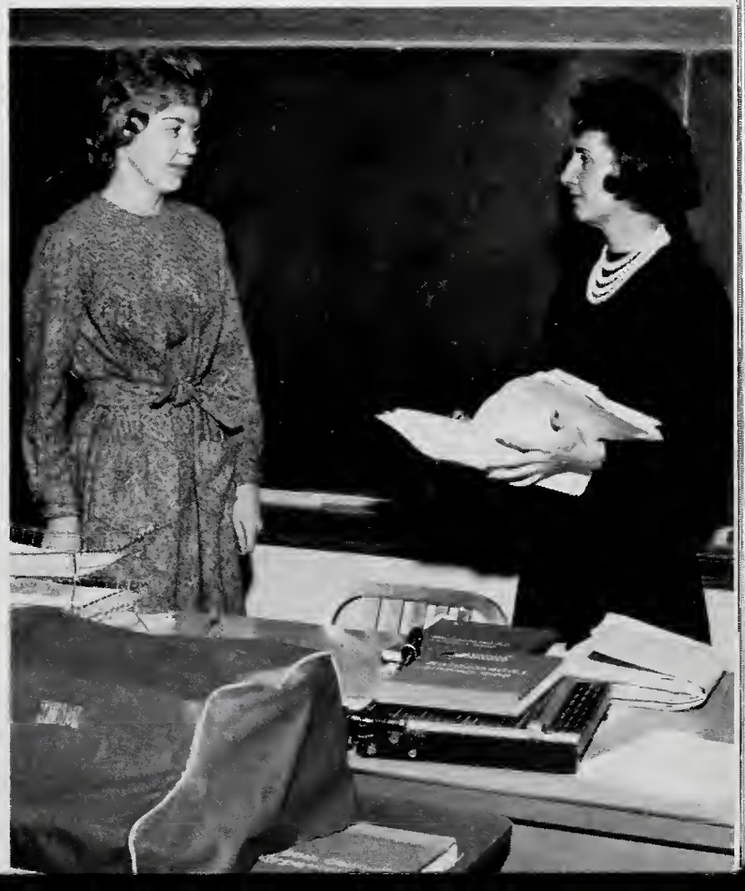

MR. HOFFMAN, MRS. CHOKEY, and MR. KELLEY have just heard something funny. Whether the joke was about English or history we'll never know.

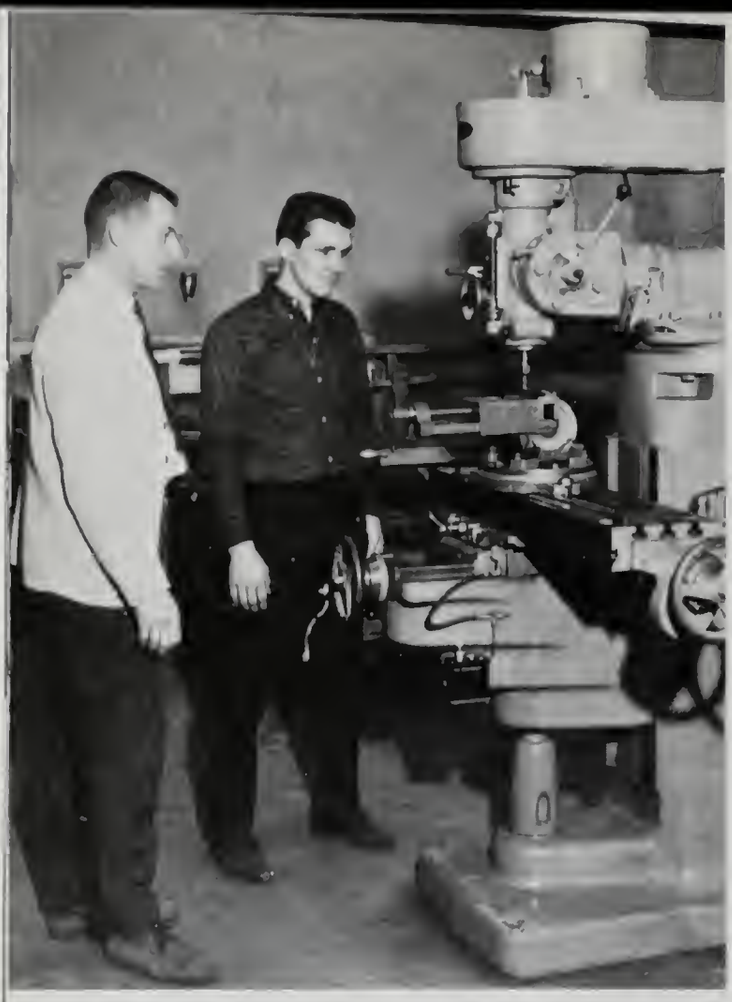

A discussion about seventh and eighth grade English keeps MRS. CLINE and MRS. D'AGOSTINO occupied.

Any subject in the commercial studies field is often the main topic of conversation between MISS IDDINGS and MISS SERVIS. Here they are looking at some recently graded papers.

Faculty

MR. ETZLER and DARRELL BOYCE talk over the work a machine in the shop room can do.

MR. SCHLOSSER, MR. FIANDT and MR. NICHOLS make a happy trio. They are probably discussing sports or music.

MR. CABLE shows PHIL PRISTAS how to work a problem in math.

Faculty

MR. BRAYTON is giving SHARON BRANDEBERRY a few pointers on sentence construction.

SUE WAITE and LINDY MICK seem to be enjoying their music lesson with MISS HOAK.

Perhaps MISS TAPP is helping MARY BETH ZUBER to find something in a reference book.

Faculty

MRS. CLARK shows MR. DYGERT the results of the experiments carried out by her seventh and eighth grade science classes.

JENNY RYAN and MR. PROSSER look as though they are enjoying the Spanish lesson. Si?

MR. MONTGOMERY explains to BETTY CARRICK part of the nitrogen cycle.

Faculty

MRS. LONG, the school nurse, is discussing JANE WILLIAMSON'S health record.

MRS. OWENS shows MR. ATKINS an English theme. Maybe it is about math! Both of these teachers joined the Angola faculty this year.

MRS. HOWELL, speech and hearing therapist, is jotting down notes in preparation for the afternoon's work.

Jerry Rumsey, Carlton Erwin, Tom German, Lester Shelton

Our Custodians

To our faithful custodians we wish to express our appreciation for all the services they have performed for A.H.S.

The custodians' work is never done. In the high school building they clean floors, repair broken desks and tables, help with sets for plays, and render countless services that the school could not do without.

In the gym, Tom German keeps the floor clean for ball games, repairs broken equipment, and does many other things.

Custodians, we salute you!

TOP ROW: Mrs. Naomi Van Meter, Carl Waymire, Clifton Nilson, Dale Somerlott, Otto Linnemeier, Charles Libey, Mrs. Helen Linnemeier, Mrs. Clifton Nilson.
FRONT ROW: Larry Klink, Hollis Fisher, George Cowey, Fordyce Johnson, Duane Rose, (insert) Kenneth German.

Bus Drivers

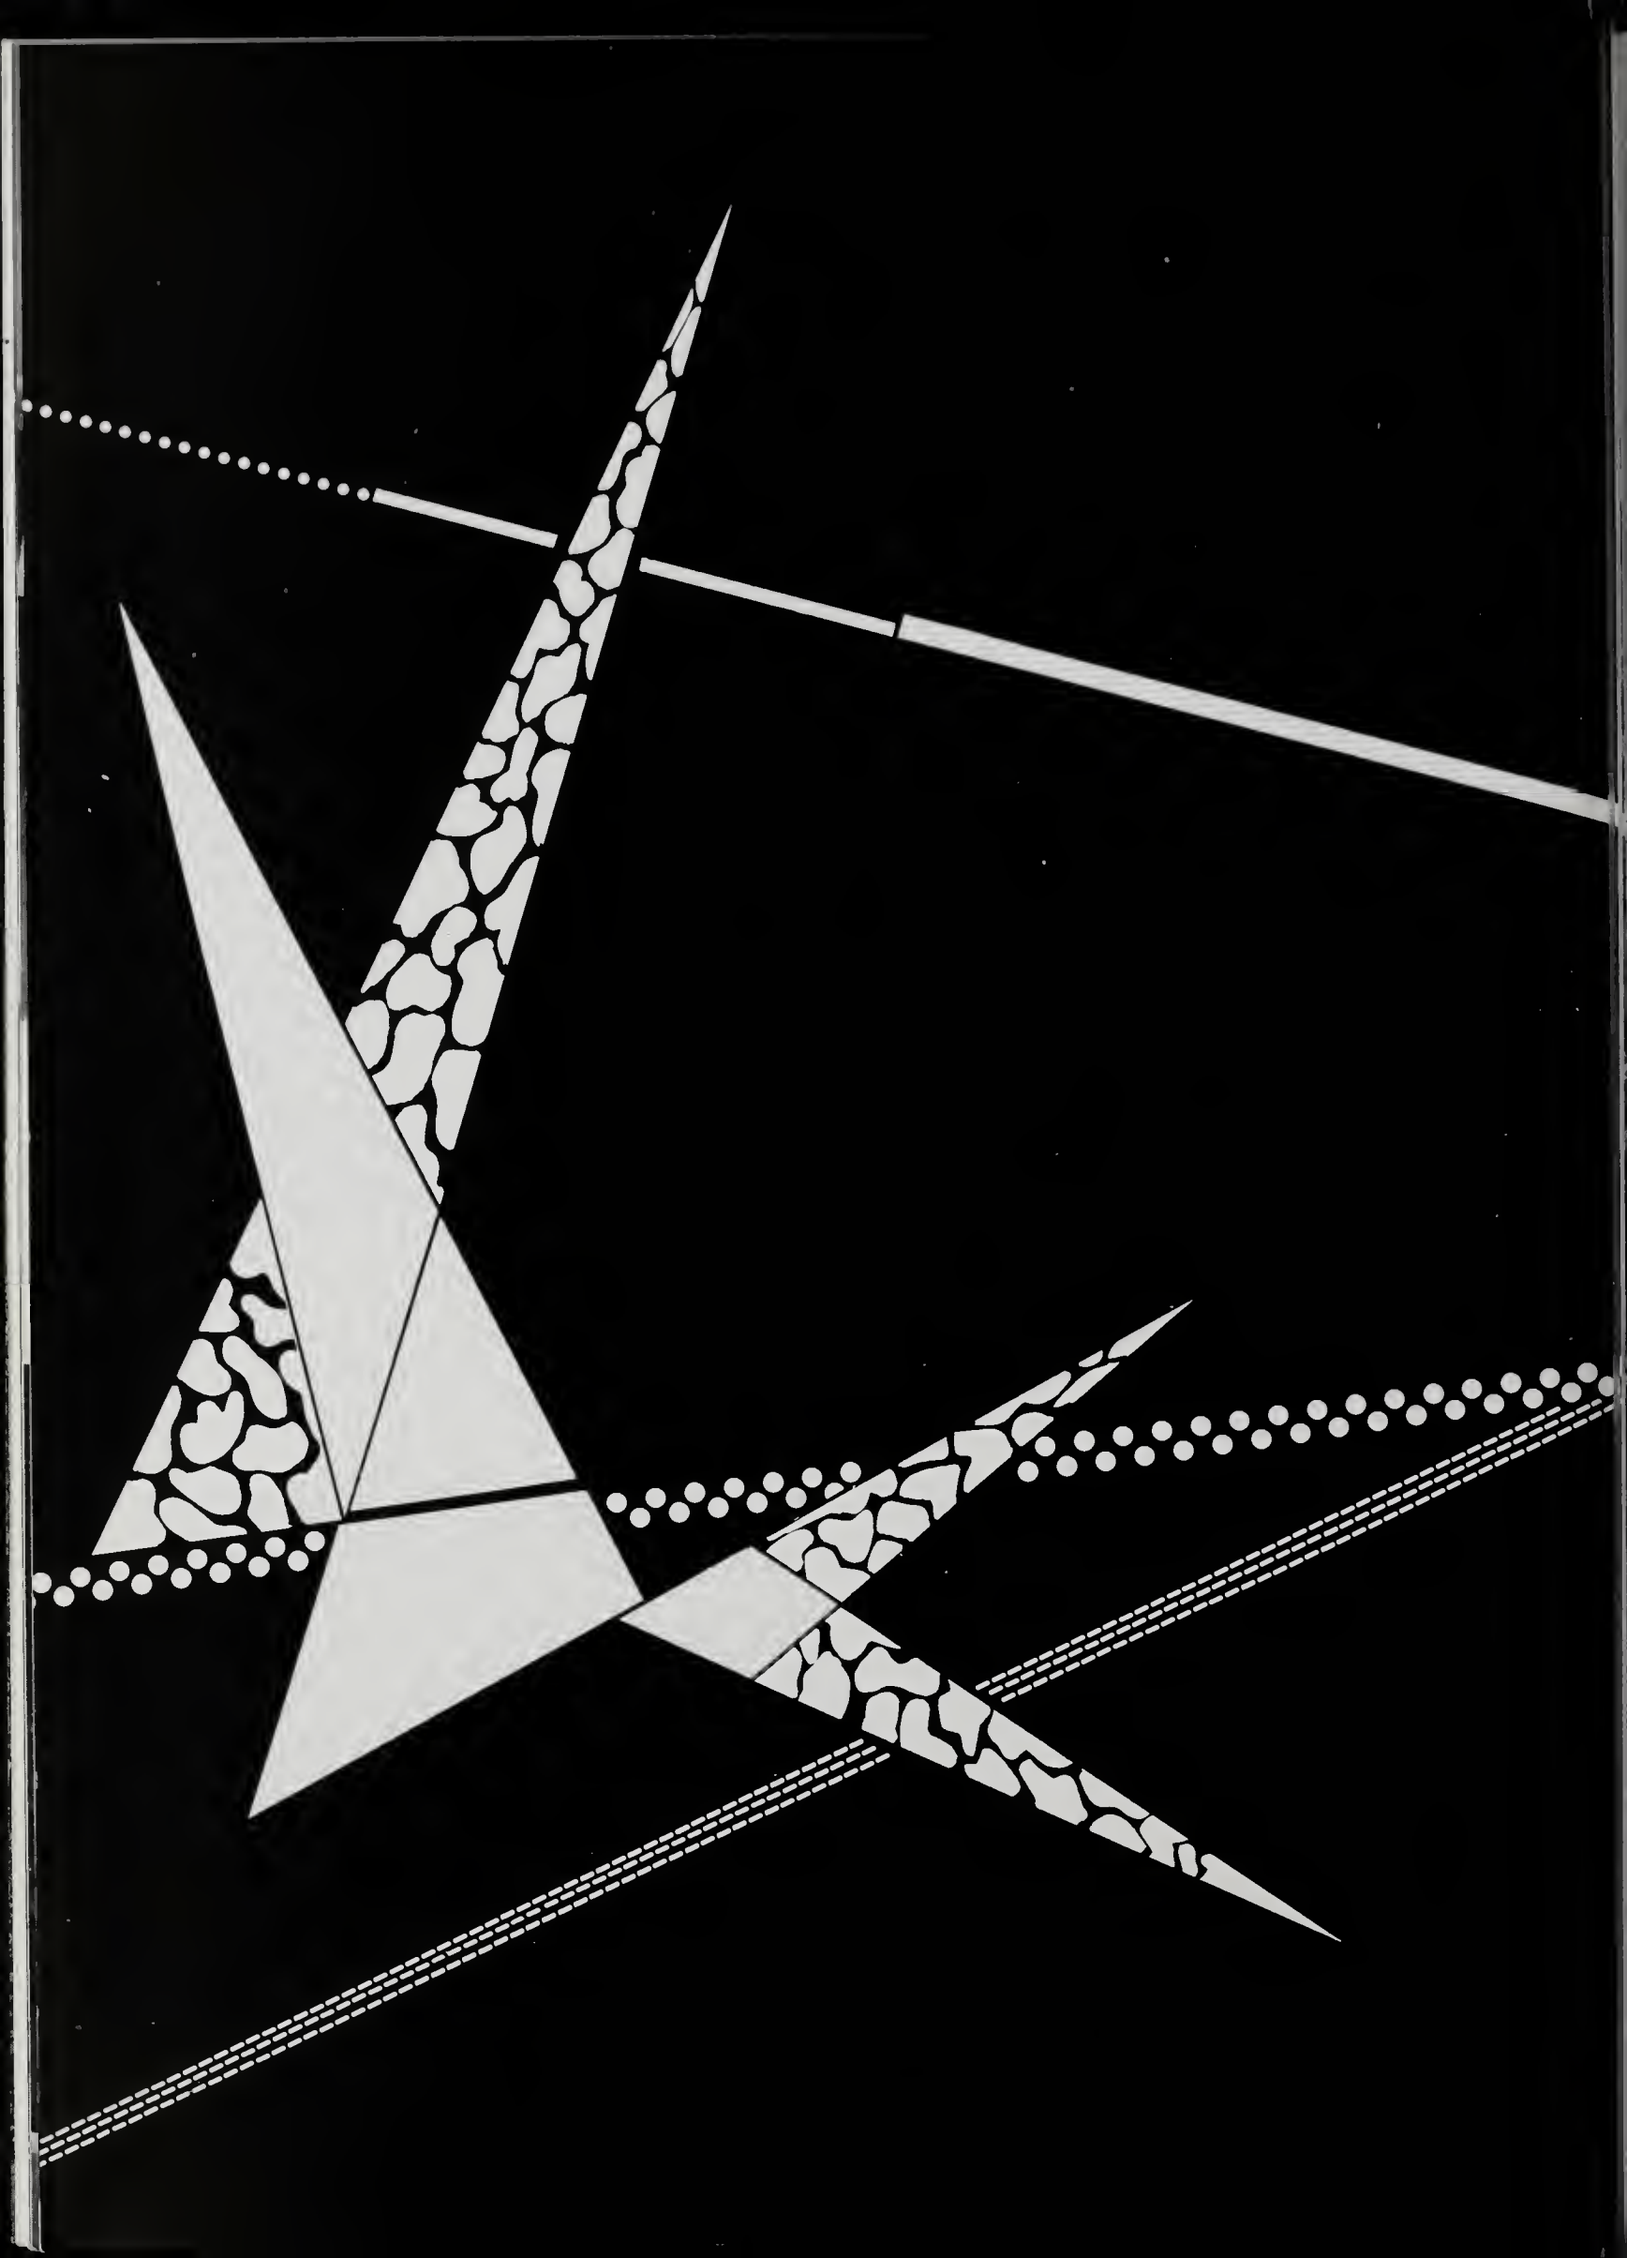

Our bus drivers make their rounds in all kinds of weather day after day to provide each child in our school area a way to school. Without their services our school could not function properly and efficiently.

Safety Patrol

Certainly one of the most dedicated men associated with the Metropolitan school system is Harry Sowle. Harry is on the job day after day making sure that students may proceed across Highway 27 safely.

The picture shows some students who have stopped to chat with him.

DOUBTS

My high school days are near an end;
I feel a pang of sorrow.
I wish I could foresee right now
Just what I'll be tomorrow.
For years they've trained me for this day,
When I would take the step
Into that big, bad world out there;
But now I feel inept.
In science and math I'm well prepared.
My Latin is quite quaint.
It's English that I'm worried about.
Is I ready or is I ain't?

—*George Shoup*

THE LAST MOMENT

As I start to walk out the door,
I turn and survey the empty halls.
I can feel the pulsing life and emotions of the past year.
I feel sorrow, joy, tragedy, excitement.
I hear laughter, shouts, crying.
I see smiling faces and tear-stained cheeks.
All these things are spun into one fleeting moment,
Then pushed back in my mind as a book is placed on a shelf.
My last moment is gone.

THE BALLAD OF THE CLASS OF '64

In 1960, a class, the likes of which never seen before,
Entered their freshman year. That was the class of "64".
They were eager to win recognition,
As a class with great ambition.
That first year was one of work;
When there was a different assignment, they didn't shirk.
Each freshman learned the meaning of study;
They practiced math till they were almost nutty.
Their sophomore year was gay-hearted;
They listened to war stories, in biology, from Mr. Bernhardt;
Study with Mrs. Vosteen in world history.
Made the whole thing a wonderful mystery.
The junior year went in a flash,
Leaving little time to relax.
English could have been more enlightening
If Mrs. Erickson had not been so good-looking.
The senior year was one of worry,
Trying to finish government themes in a hurry.
This their last high school year forever more!
They will leave but never forget the class of "64".

—*Metodi Velkoff*

THE LAST YEAR IN HIGH SCHOOL

Our school life here is almost at its end,
And our life positions lie just around the bend.
The time has flown by so fast,
It seems we should be still in the past.
The idea of being on our own
Is both sad and happy, as you know.
But we must do our best in life
No matter what the struggle or the strife.
So on we will go, some far, some near.
But never will we forget the good times here.

—*Kathy Fisher*

THE BALL GAMES

The flags are waving; the people cheer;
And everywhere one can hear
From his best friend the latest news
In speculation of who'll win or lose.
The yells, the gang, and the old school cheers,
The memory of which will last for years!

Summer Driver Training Classes

Student

Throughout the school year students assist teachers and help out in the various classes. This enables the students to gain more experience and information in their chosen subjects.

The first group help in the home economics department, straightening the shelves, decorating the bulletin boards, and assisting Mrs. Buse and Mrs. Trennepohl in whatever work they might have to do; the second picture shows two art assistants, Mary Chiddister and Richard Coleman who are a great help to Mr. Porter; the third scene is the science laboratory. Students who aid the science teachers are examining a piece of equipment.

Below we see the film projector operators with Miss Tapp. Movies and slides would not be possible without them. They unpack films, sort them, and show them in the various classrooms where they are scheduled.

Since these pictures were taken, other students have volunteered and are helping out in high school departments.

Hats off to all these students who willingly work in the departments of their choice!

Assistants

Here we see the students who help in the music department, putting away music, hanging up music robes, and doing many other things; the second group work in the girls' physical education department. Penny Davis and June Shepherd are physical education assistants also. The third is a group of student librarians who are receiving instructions from Miss Tapp, faculty librarian. Marshall Mitzman and Larry Gray receive special training from Miss Tapp, on a newly purchased projector.

Below we see some student assistants check the films which come in and out of Angola High School; Kay Cole and Marlene Johnson do typing for the library.

Student Council

The Student Council offers an opportunity for the student body to help govern themselves through representation. This is achieved through the cooperation of the faculty and students.

The main project of the group this year was an analysis of the current activities program.

Two all-school pep sessions were held through the efforts of the council.

They also revised the student council constitution.

This organization consists of four representatives of each high school class. This year's members were Seniors—Phil Beard, Mark Crain, Louise Patenge, Tuiren Butler; Juniors—Dewey Powers, Bob Scott, Gail Franklin, Linda Van Aman; Sophomores—Kay Brady, Penny Mick, Carl Ransburg, Mark Allion; Freshmen—Kim Tubergen, Ken Gulcher, Kristin Bakstad, Ann Moore. The junior high representatives were Eighth grade—Dennis Rausch, Diane Flegal; seventh grade—Cheryl Somerlott, Gary Ransburg.

The officers this year were Phil Beard, president; Carl Ransburg, vice-president; Gail Franklin, secretary-treasurer; and Tuiren Butler, reporter.

Mr. Sprunger was the faculty adviser for the student council.

Hi-Y

The Hi-Y, a branch of the Young Men's Christian Association, gives boys a chance to help their home, school, and community through high standards of Christian character.

The Angola Hi-Y Club, organized in 1921, is a member of state and national organizations. The club had 120 members this year.

Hi-Y members helped park cars at football games, picked up Christmas trees for the Lutheran Church's annual "Burning of the Greens," played a Hi-Y basketball tournament, had a Hi-Y vs faculty basketball game to meet yearly expenses, sponsored a candy sales drive for world service, and made picnic tables for the 76 Club, a section of the county club park reserved for Steuben county citizens.

Burt Jaggert, state associate secretary of the YMCA in charge of Hi-Y and Tri-Hi-Y in Indiana, was the guest speaker at this year's formal induction of new members. Other speakers were Mr. Berlien, a former graduate of Angola High School; Mr. Morin, who spoke to the club about the "Experience and the Qualifications of President Johnson"; Mr. Brayton, who spoke to club members on the best Christmas present one can give; and Mr. Milhollin, who discussed the importance of a college education to those seeking jobs. A film on the work of the YMCA in Ecuador was shown at one meeting, and at another, a sports movie.

Dave Hanselman was elected state president of the Hi-Y; and George Shoup, state secretary, at summer training camp, Camp Tecumseh, in Delphi, Indiana. Dave Hanselman, Chuck Nedele, George Shoup and Mr. Wearly went to the national Hi-Y congress where Dave was elected national Hi-Y chaplain.

H-Y Cabinet

Hi-Y

Seven members of our local club attended a district meeting at Mishawaka to learn more about planning programs and to hear Jesse Owens, former Olympic star, speak about the YMCA and his experiences in the Olympics. George Shoup was a delegate at the Youth Power Conference at Indianapolis in March. Dave Hanselman was the key-note speaker there. Angola Hi-Y officers and Dave Hanselman attended a state meeting in April at Butler University.

Officers this year were Chuck Nedele, president; Dave Yarian, vice-president; Mark Crain, secretary; George Shoup, treasurer; Tom Hornbacker, chaplain; and Dewey Powers, sergeant-at-arms. New officers were inducted in May.

John W. Wearly, club adviser, was appointed as a member of a national YMCA group, the Committee on Youth Program. The purpose of the committee is to give national unity and national leadership to the work of the YMCA in the United States. Another honor bestowed upon Mr. Wearly was the appointment as adviser to the state Hi-Y and Tri-Hi-Y Council. His work there will be much the same as that of local adviser except he will be working with several others and on a much broader scale.

A State and National Officer

Dave Hanselman, a student of Angola High School and a member of our local Hi-Y Club, automatically became state Hi-Y president this year after having been elected vice-president the year before. Dave holds not only this high office but is also the national Hi-Y chaplain.

He was chosen Hi-Y chaplain last summer at the Tenth National Hi-Y Congress at Northfield, Minnesota. To attain the office of chaplain, he had to give a speech, telling why he was best qualified, before 1536 delegates from Hi-Y and Tri-Hi-Y chapters throughout the United States. Dave's duties as chaplain are to set the mood for council meetings and to attend various meetings in many cities in the United States representing the national Hi-Y.

A State and National Officer

At the National Hi-Y Council a motion was passed against racial discrimination. Dave also heard Dr. Charles C. Noble talk on "This I Believe." He discussed how we get our beliefs, how our beliefs are constantly changing, and how to get to know God.

"The Authority and Lordship of Christ" was the theme of the Ecumenical Youth Study Conference, Dave's first meeting as representative of the national Hi-Y. The conference took place August 24-30, 1963, at Kenyon College in Gambier, Ohio.

As state Hi-Y president, Dave attended the 1963 Plenary Meeting at the Sheraton-Jefferson Hotel in St. Louis, Missouri, in September. The theme of the meeting was "World Service in the Development Decade." Executives of the YMCA and its affiliated organizations from many parts of the world attended.

In June, Dave will attend the Fifteenth National Hi-Y Council in Chapman, Kansas, the site of the oldest Hi-Y chapter.

Dave was the keynote speaker at the Youthpower Conference in Indianapolis on March 5 and 6. The topic of the talk was "Food Comes First." Nine of the leading Indiana youth organizations were represented.

The State Hi-Y and Tri-Hi-Y Spring Conference was held at Butler University in April. There Dave heard Judge William J. Obermiller speak on the topic, "This I Believe."

Cabinet Members Hear President

Y-Teens

The Angola Y-Teen organization began the year with a formal initiation of new members. Highlights of the year included the annual cookie sale, the Christmas Candle Lighting Service, which was attended also by Hi-Y members, and the Pa-Ma-Me banquet.

"Starlight Sleigh Ride," the Christmas prom, was sponsored by the Y-Teen group.

Debbie Spangle, Mary Alice Cole, Linda Poole, and Barb Hanselman attended Y-Teen summer camp.

Colleen Anspaugh was the president of Y-Teens this year; Michelle Hall, vice president; Cindy Cook, treasurer; and Tuiren Butler, secretary.

Cabinet members consisted of the elected officers and all committee chairmen—Service chairman, Debbie Spangle; social, Louise Patenge; program, Sue Swank and Barb Hanselman; finance, Kathy Fisher; publicity, Linda Poole; scrapbook, Mary Alice Cole; chaplain, Pam Van Meter; song leader, Kathy Krantz; and pianist, Diane Ralston.

Miss Iddings and Miss Servis were the chief Y-Teen advisers. Other adult council members were Mrs. Vosteen, Miss Tapp, Miss Shultz, Mrs. Swank, Mrs. Spangle, Mrs. Hoffman, Mrs. McCutchan, and Mrs. Hanselman.

Future Teachers of America

Members of the local chapter of Future Teachers of America are given the opportunity to explore their own abilities and interests related to the teaching profession, to learn of its important roll in our democracy, and to cultivate the qualities of personality, character, and leadership, which are essential in good teachers.

This year the club had seventy-six members, who met on alternate Thursdays during the activity period.

During the year members attended state and area conferences, served as guides at school open house, helped teachers grade papers, taught classes, and helped at the district music contest, which was held in Angola.

The officers for the year were: Mary Alice Cole, president, Sally Hoffman, vice-president; Nadina Rensch, secretary; Vicki Willis, treasurer; Pam Van Meter, parliamentarian; Diane Ralston, historian.

Mrs. Gladys Kile was the F.T.A. faculty adviser.

Junior Classical League

The Junior Classical League is dedicated to a furthering of the classics. It is a club to familiarize those students who have taken at least one year of Latin with the social, religious, and cultural aspects of life in ancient Rome and Greece.

Through films, skits, and other programs members gain knowledge in mythology. The two big events each year are the publication of a Latin paper and the slave auction banquet.

The local chapter of J.C.L., which meets on even Tuesdays every month, was organized in 1953.

Mr. Thompson was the only faculty adviser this year after the retirement of Miss Reed.

Officers for this school year are Gary Bumgarner and Cynthia Cook, Co-consuls (presidents); Michelle Hall, Scribe (secretary); and Judy Stevens, Questor (treasurer).

Spanish Club

"We learn to speak by speaking" is the motto of Angola's newly formed Spanish Club. It is an organization to stimulate students' interest in Spanish and to help students better themselves in speaking the language and understanding those who speak it.

The Spanish Club this year was composed of approximately 40 Spanish I and Spanish II students.

Officers Plan Meetings

The club had meetings twice a month, one business meeting and one evening meeting for entertainment. All meetings were conducted in Spanish.

The Spanish Club had a few money-making projects; however most of the semester was spent in organization work so that in the near future the club may become a member of the National Spanish Clubs. Entertainment at the evening meetings was composed of talks by guest speakers, films about Mexico, and short Spanish skits presented by club members.

Officers this year were: Jack Linn, president; Elten Powers, vice-president; Kathy Kolb, secretary; and Dave Reamer, treasurer.

Senor Jack Prosser was faculty adviser.

The equipment in the photography laboratory consists of a Besslar enlarger, paper, chemicals, and a full set of photography encyclopedias. The students of the photo club also may use a 35-mm camera and a 200 watt Strob lamp.

This year the main job of the photo club was taking pictures for the Key.

Thespian Society

Thespian Officers

The National Thespian Society is an honorary organization in that all members have earned a required number of points by working on the production of plays.

This year troupe 1264 of Angola High School presented two three-act plays, "Harvey" and "The Robin Hood Caper," and two one-act plays, "The Teacup Tree" and "Miss Twiddle and the Devil."

Officers for this year are Elten Powers, president; Dave Hanselman, vice-president; Cynthia Cook, secretary-treasurer; and Charles Honess, sergeant-at-arms. Mr. Hoffman is the faculty adviser and Mr. Porter is in charge of set designing and scenery.

The Thespians of A.H.S. would like to thank Mr. Hoffman and Mr. Porter for their valuable assistance and encouragement throughout the year.

Mr. Hoffman Discusses the Next Play

Harvey

"Harvey," the Broadway hit, movie, and television play by Mary Chase, was presented by the Thespian Society on November 8 and 9.

The plot concerns Elwood P. Dowd, a very unusual man and his friend Harvey who is an invisible, six foot rabbit. This strange relationship causes domestic strife in the Dowd household and Elwood's sister, Vesta, decides she can stand it no longer and tries to have Elwood committed to a sanitarium. This proves to be very difficult when, after Elwood's sister is mistakenly committed, the head of the sanitarium strikes up a friendship with Harvey.

The cast included Marilyn McBride as Myrtle Mae Simmous; Michelle Hall, Vesta Simmous; Elten Powers, Elwood Dowd; Jan Van Aman, Miss Johnson; Mary Beth Zuber, Mrs. Chauvenet; Kathy Sanxter, Ruth Kelly; Bob Baldwin, Wilson; Dave Hanselman, Lyman Sanderson; Charles Honess, Dr. Chumley; Janet McCutchan, Betty Chumley; Marshall Mitzman, Judge Gaffney; Dave Reamer, E. J. Lofgren; and Harvey as himself.

Mr. Hoffman was the faculty director and Jean Penix was the student director.

"The Teacup Tree"

"Miss Twiddle and the Devil"

"The Teacup Tree" and "Miss Twiddle and the Devil" were presented by the Thespian Society on February 11.

"The Teacup Tree" features a small-town spinster who causes a stir by hanging teacups on a tree in her back yard. They are cracked and no longer usable, yet still full of beauty—just as dreams and hopes are beautiful, even if they can never be realized. The townsfolk form a committee to abolish the tree, but they are taught to appreciate its worth.

The cast included: Mary Jane Hintz, Marthabelle; Kathy Clancy, Edith Duncan; Jeff Plank, Bill Crane; Jean Penix, Aronda; Elten Powers, Gowdy; and Dave Reamer, the Photographer.

Mr. Porter was the faculty director and Cindy Cook, the student director.

"Miss Twiddle and the Devil" depicts a short stay of Satan on this earth. The inhabitants of a New York boarding house are the subjects of the devil's effort to lead people astray. But Miss Twiddle, an obstinate and cantankerous individual, upsets his plans by falling in love with him. Rather than put up with Miss Twiddle for eternity, the devil performs a task painful to him. He endeavors to turn her into a sweet, lovable person.

The rolls in this play were taken by Bob Baldwin as Nicholas Q. Nicholas; Don Crone, Harry; Michelle Hall, Miss Twiddle; Lois Sellgren, Miss Simons; Lindy Mick, Miss Marchbanks; Marshall Mitzman, Mr. Humperdinck; Tom Chaudoin, Mr. Dooley; Jan Thomas, Miss Plum; Suzy Holtzman, the maid.

The faculty director was Mr. Hoffman and the student director, Marilyn McBride.

"Robin Hood Caper"

"The Robin Hood Caper," a three-act comedy, was presented by the Thespians on April 9 and 11. The story concerns four indomitable old reprobates who have changed their ways in the later years of their lives to do good for society. The problem is that the only trades they know are those that sent them to jail years earlier. These skills are, however, employed very successfully.

When the nephew of one of these senior citizen Robin Hoods starts an editorial campaign in his newspaper, the corrupt mayor of their town threatens to run him out of business.

A golden opportunity appears for "Charities Anonymous" to help him out by blackmailing the mayor. The scheme fails, however, just as Fredrick "Rugged" Ruggles, the man who arrested this little group years earlier, arrives. He recognizes them as ex-cons and he also recognizes the mayor who makes a quick exit from town.

The students who played the roles were Michelle Hall, Flora; Mary Jane Hintz, Emily; Anne Hartman, Jessica; Elten Powers, Richard; Charles Honess, Jason; Bob Baldwin, Philip; Jack Croxton, Hubert; Bob Van Auken, Frederick; Tom Chaudoin, Warren; and Waneice Demorest, Sylvia.

Mr. Hoffman was the faculty director and Terri Haley, the student director. Mr. Porter was in charge of the art work and scenery.

New Equipment Awarded A.H.S.

Angola High School was one of 500 schools chosen from more than 14,000 United States schools submitting proposals, to receive $3,000 worth of visual communications equipment from the 3M Company of St. Paul, Minnesota, this year.

The equipment included ten classroom overhead projectors, one portable overhead projector, two copying machines capable of producing 4-second transparencies, transparency film, and Thermo-fax copy paper.

Schools were selected on the basis of their proposals on how they would use the equipment if they were to receive a grant.

Angola High School was the only public high school of the six finalists of the northern Indiana area and representatives of the 3M Company said Angola was chosen because the local school used progressive and experimental teaching methods which would lend themselves well to the use of this visual education equipment.

High School Choir

The Angola High School Choir has been an outstanding group this year and the members have taken part in many activities.

The choir sang for Fremont High School the first part of the year.

The combined Band and Choir Christmas and Spring concerts delighted their audiences. Miss Nancy Siebold, choir director, has added much to these concerts by using imagination in their themes and presentation.

One of the choir's most pleasant customs for both members and audience is carolling in the halls at Christmas time.

The choir won first place in the State Band, Orchestra, and Vocal contest on April 18.

The choir is composed of 69 sophomores, juniors, and seniors.

Marching Band

This year we saw our Marching Band stepping smartly during the half of the home football games. They also marched at the Bryan Street Fair, the Auburn Street Fair, and the Kendallville Centennial; they took part in the Tri-State Campus Day Parade and the Firemen's Convention Parade. All in all our Marching Band has had a very busy year. The director was Mr. Nichols.

Concert Band

The Angola High School Concert Band, under the direction of Elwood Nichols, is composed of 88 members representing all four years of high school.

The group has performed many different kinds of music at their concerts. Their repertoire ranges from light musical comedy to classical overtures. The ability of the members to play a variety of music well has made their concerts very successful.

Many band members entered the District and State Solo and Ensemble Contest, and the school is very proud of the large number of first ratings received.

The band entered the State Band and Orchestra Contest on April 18 and won first place.

Three Angola band members—Barry Frisinger, Carol Nichols and Vicki Willis—were chosen for the Indiana All-State Band. This group had 120 members from all parts of the state. They met at Anderson, Indiana, and presented a concert on Saturday, April 4.

The A.H.S. Concert Band has done an outstanding job this year.

MAJORETTES

The majorettes added color to our half-time shows this last football season.

Our majorettes were Brenda Goudy, Glenda Sams, Shirley Hoolihan, Kristene Green, Mary Jane Hintz, Sharon Schnetzler, and Terri Haley. Our drum majors, Pam Van Meter and Pat Milhollin, led the band and our feature twirler, Linda Kiess, highlighted the group with solo twirling.

Varsity Band

The Varsity Band, directed by Elwood Nichols, is the training organization for the Concert Band members. From this band the best performers are picked to move into the vacant seats in the Concert Band each year.

This band is composed of 64 junior high and high school students.

They play in two concerts a year. Many band members played in the District Solo and Ensemble Contest, and most of them received high ratings.

The band received an excellent rating in the State Contest held at Columbia City on April 11.

CORNET TRIO

Bill Lipman, junior, and Randy Beechy and Barry Frisinger, seniors, have been playing together, except for one replacement, for six years. The trio has participated in district contests, and has also gone to the state contests in Indianapolis.

The trio has played at band concerts, for the Lions Club, and for the Order of the Eastern Star. They have made Angola High School proud to have them in their music department.

Season In Review

The Angola Hornets completed a successful football season with a 5-3 over-all record and a 4-3 standing in the NEIC—a very good record!

*Jamboree games—one quarter with each team

The Hornets opened their season with the annual jamboree in which they seemed to be the farthest advanced of the teams competing. They then played host to Elmhurst and handed them a 12-6 defeat. This was one of Angola's better games.

Auburn was the next victim of the Hornets. The Red Devils were beaten 22-13. The following game saw the Hornets defeated by New Haven, 13-7. The Angola team played a tremendous game, but New Haven is definitely one of the toughest teams on our schedule.

The next two games were won by Angola with apparently little effort. Howe was the victim of a 33-0 defeat and Bluffton was downed 27-6. However, the Hornets did not look so sharp in these games as they had earlier in the season.

Angola then fell at the hands of Garrett. The Railroaders beat the Hornets 18-0, but Angola did not play up to par that night. Angola won the next contest with the highly rated Kendallville team 12-7, the Hornets' defense being up to expectations. The last game, with the tough Yellow Jackets of Decatur ended in a 25-7 victory for Decatur.

Coach Ned Schlosser can feel very proud of his team's accomplishments in the over-all picture and the twenty seniors on the squad will have a great season to remember.

Coaches

Angola High School certainly has an excellent coaching staff, with each coach extremely dedicated to his particular sport. The job of a coach is often a thankless one, and he must be willing to spend a great amount of time and effort in preparing for each contest. We feel that these coaches should be commended for a job well done; we greatly appreciate their unselfish efforts.

VARSITY CHEERLEADERS

This year's varsity cheerleaders —Tuiren Butler, Jean Penix and Linda Van Amen—did a wonderful job of promoting school spirit. Their peppy cheers provided a great deal of encouragement for many Hornet games. We would like to thank our faithful cheerleaders for a job well done. Mrs. Grabill was their faculty adviser.

Varsity Roundup

The Angola Hornets completed their 1963-64 season with 9 wins and 11 losses.

The Hornets, carrying seven seniors backed up by five juniors, first played on the home floor and defeated the Churubusco Eagles 65-60 for their first win.

The Hornets then traveled to Butler where they were handed their first defeat 80-66. On November 30 the Angola squad played host to a strong Columbia City team which handed them their second defeat 62-55. A tall Bluffton team then fell under the Hornets' sting 73-65.

The local five then toppled a highly rated Elmhurst ball club in an upset 45-43. The next week the Hornets fell prey to the New Haven Bulldogs in an away game 62-53.

The Holiday Tournament was held at Angola and proved to be a heart-breaker for Hornet fans. The Hornets lost the first game to Garrett in a thriller 67-62. They then came back to win the consolation game over Kendallville 70-58.

After the Holiday Tourney the Hornets went into a slump losing four straight to Auburn 71-70, to Garrett 64-48, to Berne 57-53, and to Waterloo 61-58.

The Hornets then rallied to win two straight, the first over a strong and highly favored Ligonier team 83-75, and the next week over Decatur 60-57.

The Hornets again hit a slump, losing two in one week-end to Albion 68-65 and to LaGrange 75-64.

Hope was not lost for the Hornets, though. They won over Kendallville 54-52, defeated Howe Military 77-58, and rolled over Avilla with a 72-55 score.

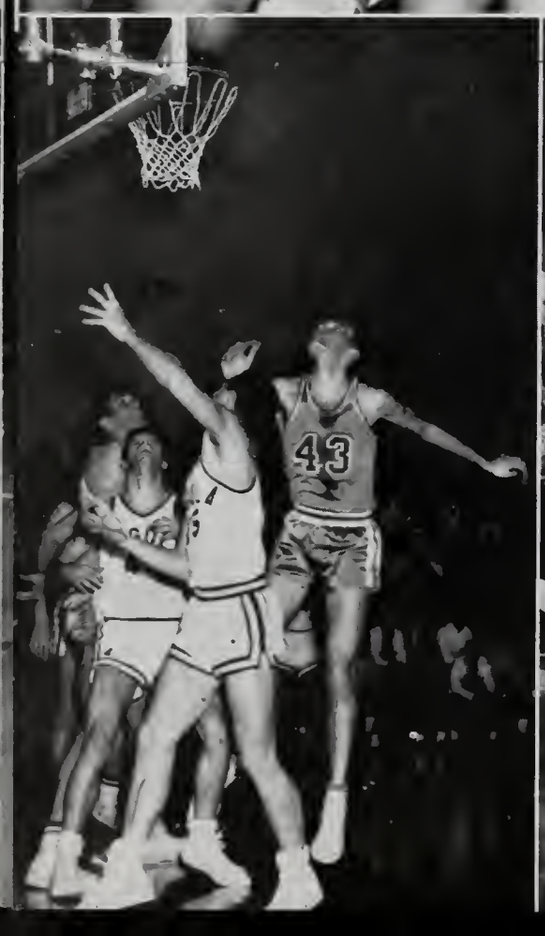

In the last game of the season they fell before the taller and highly rated Concordia Cadets 98-77, making Concordia NEIC basketball champions.

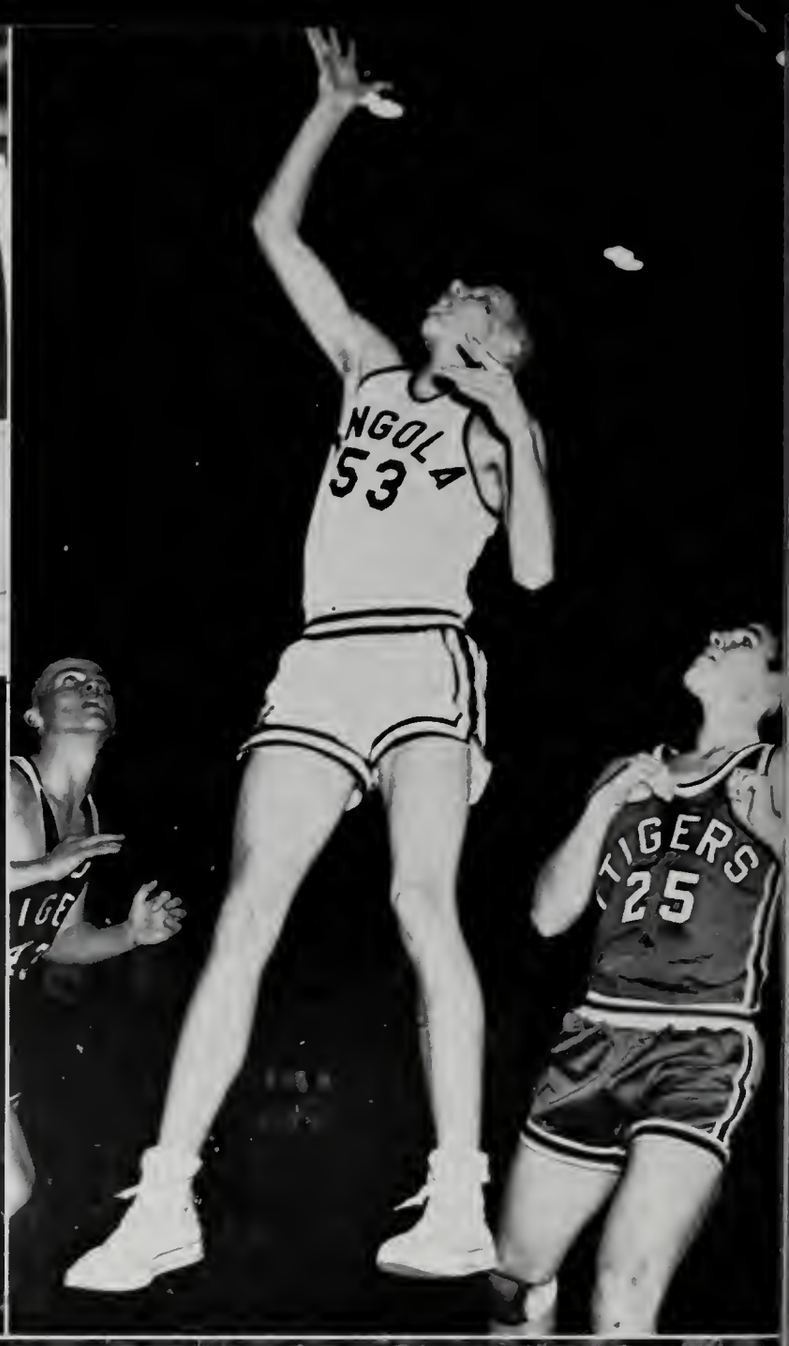

The Hornets bowed to the Ashley Aces 53-35 in the Sectional Tourney at Angola. The Aces went on to win Sectional honors.

Thus ended an eventful season.

Student Managers

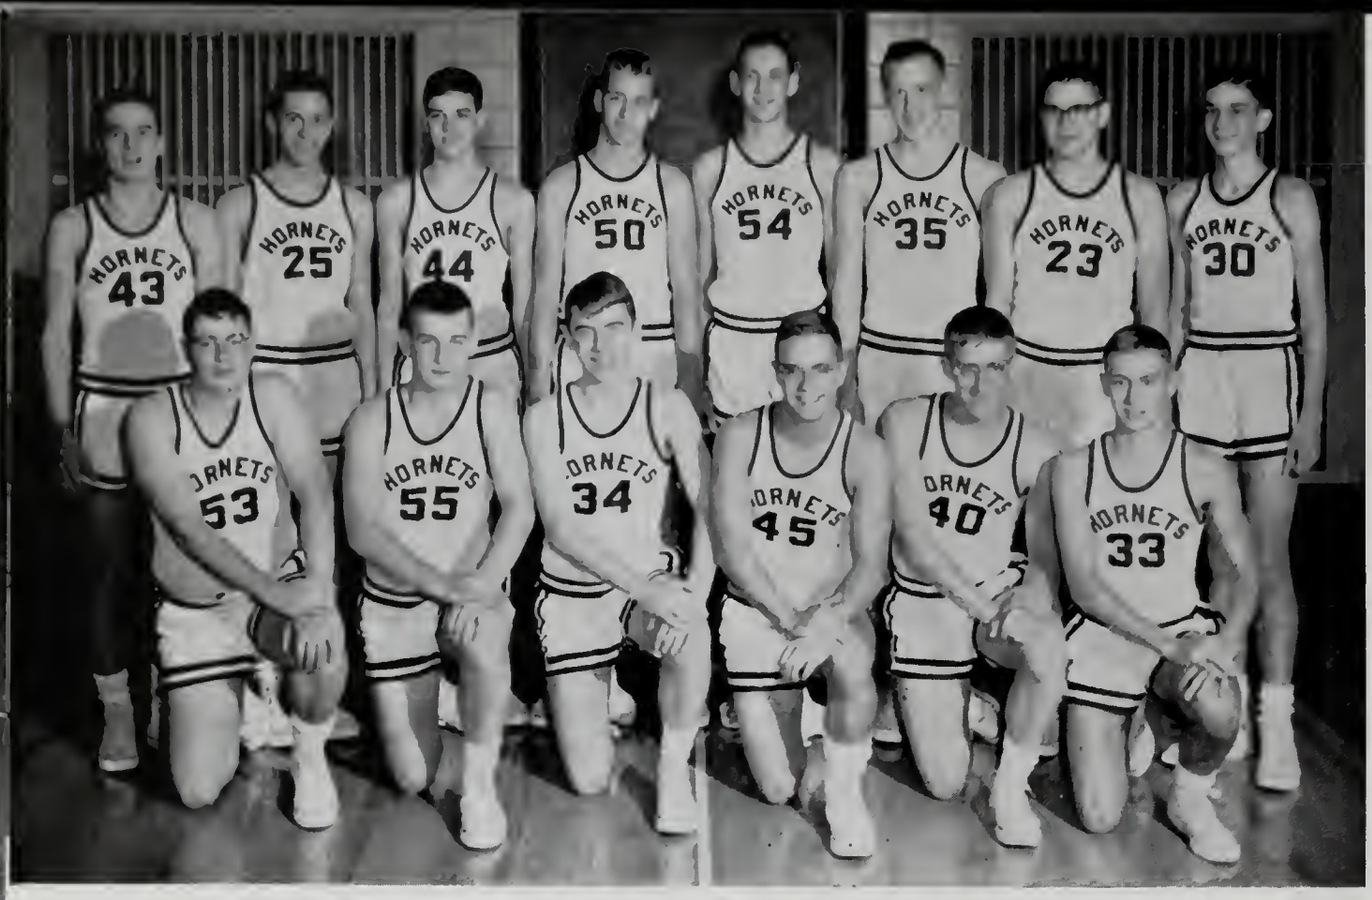

The student managers play an important role in the smooth operation of our fine athletics program. The managers' duties include the issuing, care, and maintenance of athletic equipment, keeping records, and fulfilling many other responsibilities that are helpful to the coaching staff and the athletes.

The Key staff salutes this whole group for the outstanding job they did.

BEE TEAM CHEERLEADERS

Anne Hartman and Penny and Lindy Mick were this year's Bee team cheerleaders. These three girls did a fine job in supporting the Bees through the entire season. Their tireless efforts were greatly appreciated.

FRESHMAN CHEERLEADERS

The Freshman cheerleaders —Kristin Bakstad, Ann Moore, and Kathy Sanxter— certainly did a fine job in backing this year's Freshman team. The enthusiasm of these three girls was always very encouraging.

In The Dressing Room

The dressing room has been the scene of many discussions on basketball strategy. These informal talks have proved to be very valuable to the Hornets. Here Coach Kelley talks to the team about the Friday night opponent and his plan for victory.

Final Honors

Final honors were announced after the close of the basketball season. George Shoup was named on the NEIAC all-conference first team. Jack Deller and Lynn Maugherman received honorable mention.

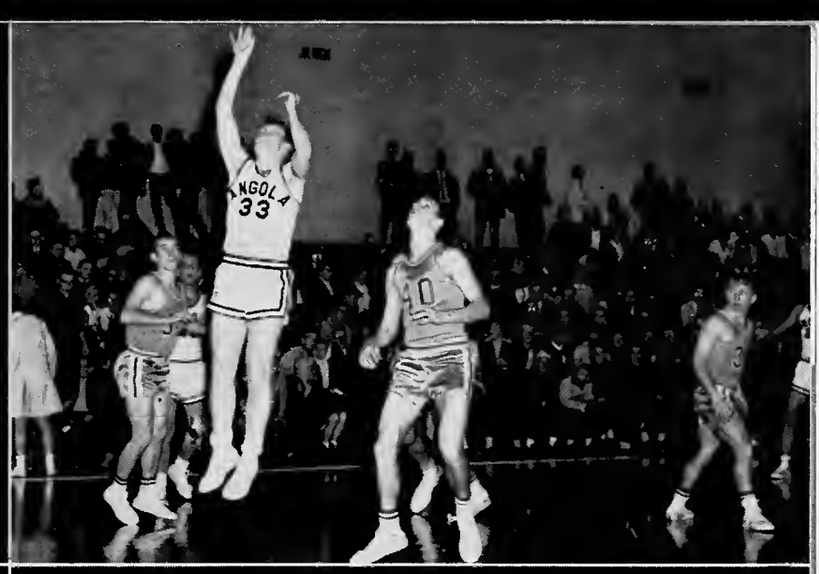

Our Athletic Program

We should like to salute the entire Athletic Department for the fine job that they have done this year in extending the opportunities for participation in athletics. Two new sports, gymnastics and wrestling, coached by Mr. Nesbitt and Mr. Avery, respectively, have been added to the school's athletic program. These sports have become very popular and are certainly an attribute to our school.

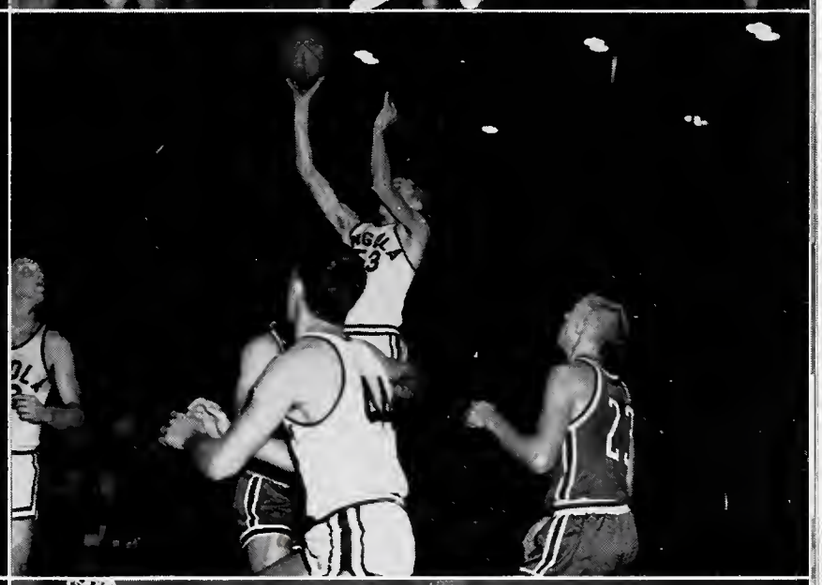

One of the greatest contributions to school spirit is the feeling that everyone is participating. In very large schools this feeling is hard to achieve. This year Mr. Prosser, Mrs. Gabill and countless other faculty members, have been successful in establishing a fine intramural program, for both boys and girls. Students can now enjoy themselves in a program designed to promote fun and physical fitness.

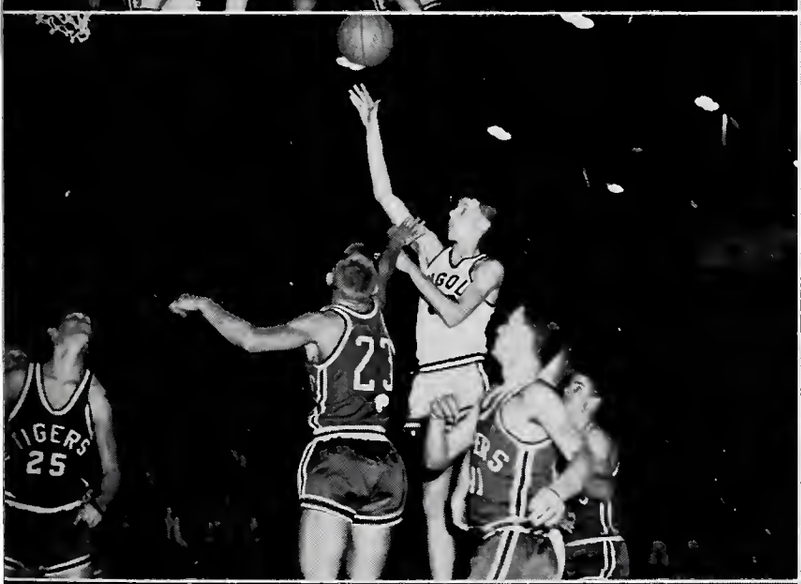

We are proud of our two new sports and our new intramural program. The entire student body now has the chance to participate in some type of athletic program. We want to thank the teachers and coaches who have been instrumental in securing these activities.

Angola was host to New Haven in the next meet and won their only contest of the season by the score of 35-9.

The team traveled to Howe Military, where they were defeated by a score of 42-6. They then went to Decatur where they faced a very tough team and were defeated 42-6. The good Warren Central team defeated Angola and Columbus with a score of 71, Angola placing second with 39, and Columbus placing third with 31 points. Concord hosted Angola and defeated the team by a score of 65-37.

The Angola gymnasts again traveled to Indianapolis to the Warren Central Invitational and placed seventh among eight teams. The scores ran as follow: Clarksville, 134½; Concord, 94; Warren Central, 70½; Broad Ripple, 61½; Madison Heights, 36; Columbus, 31; Angola, 10½; and Hoagland, 0. Angola defeated Hoagland by a score of 59-37 at Hoagland.

The Hornets then traveled to Kendallville, where they came out second with 48 compared to Kendallville's 78 and Avilla's 13. The Angola thinlies then suffered a 34-75 defeat at the hands of Concordia. The Hornets again bounced back and defeated Garrett 67-42. The Hornets then traveled to Auburn where they lost 74-35.

At the New Haven relays Angola placed fourth in a field of nine teams.

Cross Country

After the cross country season drew to a close, a quick look at the results showed a successful first season for the Hornets. Ron Clouse, Angola sophomore harrier, made a spectacular record, winning first place in the sectional and going on to the regional.

In the first meet of the year, the Hornets placed third in a three-way cross country meet. Angola finished with 34 points while Fremont placed second with 33 points, and Hamilton placed first with a total of 29 points.

Our second meet of the year was also a three-way meet at Hamilton with Auburn. Hamilton was first with 28 points. Angola's 33 points were good for second place, while Auburn placed third with 55 points.

The third meet of the season was a two-way meet with Auburn here. This time Angola captured first place with 24 points; Auburn was second with 46 points.

The fourth meet of the year was with Huntertown. In this meet, Angola was defeated on their home ground by Huntertown, by a score of 25 for Huntertown and 36 for Angola.

For their next meet, Angola traveled to Kendallville, where they were defeated by a strong Kendallville team. The score of this encounter was Kendallville 20, and Angola 43. Next, Angola was host to Butler, and trounced them soundly by a 21 to 43 score. Angola again tasted victory as they downed Howe Military by a score of 26 to 29.

Angola then ran into a strong New Haven team, and on their home ground New Haven totaled 20 points while Angola ended with 43 points.

The next meet was among Angola, Auburn, and Columbia City. Columbia City managed to squeak by a strong Angola team and finished with 33 points. Angola captured second easily with 35 points, and Auburn placed third with a total of 55 points.

Angola ended the season in sixth place in Conference standings.

STANDING: Bob Crain, Pat VanAman, Steve Terry, Rodney Dent, Coach Brayton, Greg Mason, Gary Bumgarner, Danny Bakstad, Barry Frisinger.
KNEELING: Kim Tubergen, Bob VanAuken, Dick Fee, Nickey Nix.

Golf

The Angola Golf Team, coached by Mr. Brayton, finished the 1963 season with a record of 3 wins and 7 losses. The season saw the Hornets drop a pair of matches each to Auburn, Howe, and Garrett while winning a pair from Butler and splitting with Kendallville. The team also traveled to Bluffton for the Conference Meet, and struggled over a soggy course in pouring rain at the Elkhart Sectional.

Low individual scores for the year were: Barry Frisinger, 38; Dan Bakstad, 40; Curt Rausch, 41; Doug Smith, 45; Greg Mason, 45; and Gary Bumgarner, 46.

Among the notable feats of Mr. Brayton's charges were: Barry Frisinger's eleventh place medal at the Conference Meet, Curt Rausch's 13 strokes on a par 3 hole, Dan Bakstad's shooting a 40 but still losing the match, and Doug Smith's astounding 79 for 9 holes.

The team had a lot of fun and will have many pleasant memories of the 1963 season.

Cross Country Sectional and Regional

Angola then went to South Bend Riley, where the fastest country crosser in the Sectional, Ron Clouse of Angola, captured first place honors. Going with first place was a medal, and the right to compete in the cross country Regional.

The last run of the season by an Angola harrier was made by Ron Clouse when he placed 15th in the Regional with a time of 10 minutes 11 seconds.

The Angola team ended their first season in several years with three firsts, five seconds, and one third.

Officers See the Funny Side

Pep Club

The Pep Club had new uniforms this year which the girls made themselves and wore to the home games. They were purple vests and were worn over long-sleeved white blouses. The girls were seated in a block for games and they wore white gloves to perform hand motions during the half of the games.

The Pep Club purchased flash cards and used them late in the season to present special programs. They hope to use them more next year.

The one hundred and forty members were led by the following officers: Louise Patenge, president; Michelle Hall, vice president; and Mary Alice Cole, secretary-treasurer. The club sponsor was Mrs. Grabill.

Pep Club Ready for Action

Girls Athletic Association

The Girls Athletic Association had almost one hundred members this year and participated in a variety of sports. They met during the activity period on Monday and participation points were given to each girl who attended six meetings for one sport.

The girls participated in volleyball, dodgeball, basketball and gymnastics plus several spring sports.

A Sports Day was sponsored by the Girls Athletic Association on February 22, and area schools were invited to participate in basketball and gymnastics.

The officers were: Barbara Hanselman, president; Debbie Spangle, vice president; Kathy Kolb, secretary; and Janet McCutchan, treasurer. Mrs. Grabill was the sponsor of this organization.

Girls' Basketball

The Lady Hornets basketball team was organized in January of this year. The girls tried out for the team and were selected on the basis of ability, attitude, and sportsmanship. They participated in a G.A.A. tournament at Waterloo. They were beaten in their first game by Waterloo 28-12 but came back in the consolation game to trip up Auburn 22-20. The team also had a Sports Day tournament on February 22 with Auburn, Waterloo, Orland, Hamilton, and Fremont participating.

The girls practiced after school twice a month at Carlin and Hendry Park Schools. They certainly enjoyed the season and hope to add more games to their schedule next year.
